Product Description

How to play

1. Pick up the light gun, at a safe distance of 0.9 meters (about 3 feet) from the muzzle of the gun to the screen, aim at the enemy on the screen through the light door and the crosshairs on the pistol, and pull the trigger of the pistol to shoot the enemy.
2. After the bullet is fired, the gun shoots out of the screen to quickly fill the bullet, or wait for the automatic filling.
3. After knocking down the enemy, there is a probability of getting bullets from other guns. The game has four kinds of guns, and the player can switch the guns obtained at any time by using the switch button.

Feature

1. Rich game play and content
2. Diverse ethnic choices
3. Competitive and cooperative mode
